

Privacy Policy

Privacy Policy

The privacy policy governs the collection, usage and sharing of private information provided by the user to Asha Travel Hub. User privacy is a top priority for Asha Travel Hub and all efforts will be made to prevent unauthorised use of any private information divulged to Asha Travel Hub. Asha Travel Hub collects information from its users for the delivery and improvement of services and for the purpose of user safety. A user must be in agreement with the terms and conditions of this privacy policy in order to avail Asha Travel Hub services. The user is free to suspend or terminate the services of Asha Travel Hub by revoking his consent to the privacy policy or by deleting his account.

Personal Information

Asha Travel Hub collects certain information from its users for the purpose of 'user identification'. The following information is collected by Asha Travel Hub when an applicant applies for membership on its website or smartphone based applications:

- Name
- Contact Number
- Postal Address
- E-mail Address

By providing the above information, the applicant has voluntarily agreed to the terms and condition of this document.

The following information is collected from the user during the rental period:

Location : Asha Travel Hub has installed GPS tracking devices in all its vehicle in order to ensure the safety of the passengers and the vehicle. The location of all Asha Travel Hub vehicles is tracked in real-time. The information will not be divulged publicly. However, the information may be shared with the concerned authorities such as the police or similar parties in the event of an accident or mishap. Asha Travel Hub reserves the right to share any information pertaining to the location of the vehicle with insurance companies in the event of any damage/accident claim or theft.

Vehicle Use Data : Data related to vehicle use is collected and monitored by Asha Travel Hub in order to prevent misuse and theft of the vehicle.

Asha Travel Hub has the right to access a user's driver record and vehicle history from the concerned authorities. By becoming a member of Asha Travel Hub, the user authorizes all DMV's, RMV's, automobile mechanics and any relevant authority to release the user's driving record and vehicle history.

Non Personal Information

Asha Travel Hub collects non-personal information which has no direct relation

to any specific individual; including but not limited to IP addresses, usage details and identifying technologies. Asha Travel Hub reserves the right to collect, use, transfer and disclose non-personal information for any purpose. In the event of combining personal and non-personal information, both will be treated as personal.

Cookies

Cookies are used by Asha Travel Hub to collect non-identifiable information. A cookie is a piece of data that a website can send to your browser, which may then be stored on your computer as an anonymous tag that identifies your computer but not you. Asha Travel Hub uses cookies on some pages of its website with the intent to enhance service. The information is shared with third party vendors. The user is free to disable the sharing of cookies on his/her web browser, however this may lead to hindrance in a few services.

Asha Travel Hub reserves the right to change its Privacy Policy at any point of time. The user shall be notified in such an event through our website and/or by an e-mail. In the event of any disagreement, the user is free to suspend or terminate Asha Travel Hub services by deleting his/her account.
